Dear Lorraine,

It is my pleasure to write this letter of recommendation for you.

We have worked together for the past 12 years. Some of the projects we have worked on include Gibraltar Bank, McKinsey & Company, HBO, as well as my residence. As a General Contractor, we often encounter plans that are incomplete or not clear. This is not the case with your designs and documents. I have admired your thoroughness and knowledge of the project and its details.

Please use me as a reference for any of your clients in the future. I look forward to the opportunity to work with you again.

Best regards,

Elliot Galanter
President
